SPEAKER NICHOL: The question is the adoption of the committee amendments. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 27 ayes, 0 nays on adoption of the committee amendments.

SPEAKER NICHOL: The committee amendments are adopted. Back to the bill. Senator Hartnett.

SENATOR HARTNETT: Mr. Speaker and members of the body, that is the essence of the bill, the committee amendments, and so I would just move that at this late hour on Friday afternoon that we move the bill forward.

SPEAKER NICHOL: Senator Smith, please.

SENATOR SMITH: Mr. Chairman, may I ask Senator Hartnett a question, please.

SENATOR HARTNETT: Sure.

SENATOR SMITH: Senator Hartnett, I don't know whether I am missing out on something here but I just want a little clarification. The bill says, I mean in my book it says no fiscal impact and you are talking about...okay, what...in other words, you have a choice of increasing to five from three?

SENATOR HARTNETT: Yes.

SENATOR SMITH: What happens if they would increase to five and you have these minor little expenses?

SENATOR HARTNETT: That would be borne by the bridge commission.

SENATOR SMITH: By the bridge? Okay, thank you.

SENATOR HARTNETT: No fiscal impact on the state.

SENATOR PIRSCH: Pardon?

SENATOR HARTNETT: No fiscal impact on the state.

SENATOR PIRSCH: Okay, thank you.
